

WORK-LIFE HARMONY STRATEGY

\$10,000 for your organization-WoW!

With effect from 22 Aug 2004, the Government has introduced a \$10 million WoW! (Work-Life Works!) Fund to facilitate the development and implementation of work-life strategy at the workplace, in particular, flexible work arrangements. Organizations can apply for grants from the WoW! Fund to defray the costs of introducing measures that help employees achieve work-life harmony.

DO YOU WANT TO...

- Reduce staff turnover
- Reduce medical costs
- Reduce absenteeism
- Reduce the frequency of urgent leave
- Reduce stress for your employees

WHAT ABOUT...

- Improve productivity
- Improve workflow process and efficiency
- Improve communication between supervisor-subordinates
- Improve working relationship among employees
- Improve staff morale and satisfaction
- Improve customer service quality

AND...

- Create a cohesive and congenial working culture within the organization
- Attract 'star' employees
- Employer of choice
- A positive market image
- Differentiate yourself from competitors
- Generate free positive publicity through your work-life practices

IMPOSSIBLE?
